

Magic and Mystery topic Spring term. Year 6 Mrs Holliday.

Welcome back to all the children and parents. This is sure to be a busy term full of magical and mystical learning! Look out for the children's final project which will involve them creating their own magical school and holding a parent information event.

The children will be starting their SPAG and maths booster sessions this term so I would appreciate your support with making sure that the children complete any homework or skills practice.

Science-materials, mixtures and potion making. We will explore what happens when we combine certain ingredients and explore other investigations.

Spanish-we will be learning about the locations in Hogwarts and in Old Heath. We will also learn about school objects and teacher names.

Geography/history: we will look at the city of London where one of the Harry Potter film takes place. We will also look at how magic has been developed over the years.

In map skills we will look at the locations and rooms in the Harry Potter films.

PSHE/Growth Mindset: we will look into our future job prospects and how to write our own CV's.

We will also learn about how to be a good citizen, deal with stress and about children who have successfully fundraised money for charity.
