

Parents' Diary Dates: September 2019 – July 2020 Version 2 ~ October 2019

We were promised for our new windows to be fitted over the summer holidays, however Essex County Council and their Contractor Mitie have not managed to get this organised in time for a variety of reasons. We were holding on to Non Pupil Days so that we could use them at the beginning of term if the window fitting over ran! However, as we have no windows being fitted we have allocated four out of the five days and the final one will be allocated when we have a new date for new windows!
