

One upon a time, in a land **quite** far away, there lived a king and a **queen**.

The king was a very busy king, looking after all the people in his kingdom but the **queen** was sometimes a little bit lazy.

From the moment that she woke up, all she wanted to do was to snuggle down under her **quilt** and watch the television.

This made the king a little bit cross and sometimes they would **quarrel**.

“You can’t just watch TV all day, we have a castle to look after, people to meet and parties to go to,” the king moaned.

“Stop fussing dear,” said the **queen**. My favourite **quiz** show is about to start.

“But look at the time, its already **quarter** past 11, you must get up and get busy.”

“Be **quiet** now dear, I won’t be able to hear the first **question**, they’re **quite** tricky you know.”
