

If you would like to send photos of your child's learning or just ask a question, you can contact me at eyrs@oldheath.essex.sch

Tuesday 19th January

Letters and sounds

The new digraph for today is **sh**.

When you have read the words together, there are some small **sh** words for a game. Firstly, cut up the words, put the **sh** word pictures on the floor then spread the words out all over the floor too. We play this game at school. Your child can pick up one word at a time, read it and then place it next to the correct picture.

There is also a sentence to read together - The fish went into the shell. When we read sentences, we talk about sentences having a capital letter at the beginning and a full stop at the end.

This is a link to the BBC bitesize **sh** video.

Maths

There is a spider **adding** sheet to try today. It follows on from the spiders and webs yesterday. The children will need to write the numbers in the boxes. We haven't spent a lot of time on writing numbers yet so don't worry too much if the numbers aren't formed perfectly or they need support here. You can look at the number cards to check.

Science

As we are having a spider week, there are a couple of spider videos to watch with some **spider facts**. When you have finished watching ask the children what they have found out. Can they remember 3 spider facts?

Wizz - Spiders for Kids with Jess

There is no expectation that any work is returned to me, but if you would like to, you could email any work or photos to the school. I would love to see what you have been up to!

Thank you

Mrs Ford.
