

7th January 2021

Hello!

Today's sounds are **X** and **Y**. Again, there are words to read and there is also some superhero paper that you could write some of the words on too.

You could have a go at writing a silly sentence to go with this picture.

Don't forget your finger spaces!

There are some numbers to 20 to cut out too. You could look at the 1-20 number track and try to put the numbers in the correct order.

There is also a superhero bingo game to play with an adult. If an adult calls out a number, can you find it and cover it or cross it out? You could even try to make the number with your Numicon tiles too.

There is also a cut and stick Superhero activity.

Can you colour the supers, cut then out and stick them onto the towers?

Don't forget to check on the BBC bitesize for the **x** and **y** videos.

Have fun!

Mrs Ford
