

Monday 25<sup>th</sup> January

A big, warm Week 4 'hello' to all our Year 4 children, parents and carers!

I hope this finds you all well and that you have been able to access the home learning and work packs with relative ease!

I am also hoping you are enjoying most, if not all the work that has been coming home to you!

In school, we have really been excited by our class book, 'The Lion, the Witch and the Wardrobe' and the children can't wait to read the next chapter every day. Are you the same? The weather seems to be fitting with the story now with hopes of a touch of a Winter Wonderland in Colchester this week! The little group attending are leaving their copies in school so that they aren't tempted to read ahead too far. Please remember to look after your copy so that future Year 4s can enjoy them for years to come.

This week we will continue reading our text and will be basing most of our VIPERS lessons on it, as well as starting to plan the story throughout the week. I have included a few links and other resources to help you with the different aspects of your planning, but I know you are great story tellers and will do a superb job with it! Remember, you are **planning** not writing this week as that is going to be your job for next week.

In Maths we are carrying on with fractions and decimals, relating them to mm and cm and in Science the hot topic is intestines!

We are carrying on with Christianity in RE, studying its main beliefs and relating it to our own religion if we have one. In Art I would like you to finish your Winter Wonderland scene and ideas for this are on the daily plan

There is a Year 4 email address that you can now send any photos of your 'best bits of the week' to. It would also be lovely to receive pictures of some of the Artwork you have been doing on Lions and Winter Wonderlands and I will do my best to print them off and add them to our 'What's in the Wardrobe?' wall display. This is the same wall that our Egyptians work was displayed on before Christmas so you can probably remember how much space there is to fill!

I look forward to receiving them on [Year4@oldheath.essex.co.uk](mailto:Year4@oldheath.essex.co.uk)

That is just about it for now apart from to say we miss you and look forward to when we can all be back in the classroom together, hopefully soon,

Keep STAYING SAFE and we will talk again soon,

Lots of love,

Mrs Langford xx
