English

WALT: write a list of adjectives.

Visit: <https://www.bbc.co.uk/programmes/b0078m3n/clips> and look through the clips about materials. Think about the materials used to build houses both before and after the Great Fire. Next to each picture below, write as many adjectives as you can to describe the material. Think about its texture, size and colour. Don't forget to use commas to separate your adjectives.

Material	Description: Adjectives
<p data-bbox="325 551 564 589">Timber (wood):</p> 	
<p data-bbox="325 869 564 907">Window (glass)</p> 	
<p data-bbox="397 1189 491 1227">Bricks</p> 	
<p data-bbox="400 1507 488 1545">Metal</p>

Maths

WALT: make two-digit amounts using coins.

Yesterday, you made amounts of money with two digits. Today, you are going to check the shopping bills to make sure the shopkeeper has added correctly. If the total is correct, tick the box, if they're not correct, work out the answer. For example: $12p + 14p = 26p$ ✓ but $12p + 15p = 28p$ is incorrect. It should be 27p.

Amounts of money added together	Correct	Not correct
$23p + 14p = 37p$		
$30p + 24p = 44p$		
$21p + 56p = 75p$		
$47p + 11p = 58p$		
$55p + 42p = 79p$		
$34p + 21p = 55p$		
$£2.50 + £3.00 = £5.50$

SPaG

Carefully read the information below and add the missing apostrophes to show where something or someone belongs to something or someone.

Thomass coat was blue but Sammys coat was green. They played football with Sammys ball and left Thomass bright orange ball at the side of the pitch. They had seen Englands new fantastic stadium and pretended they were playing their games there. The boys friends Karin and Sari came along to join in. After their games, they went to Karins house to have some snacks and drinks. They all played with Karins new game and had great fun. Karin and Saris mums are going to ask Thomass and Sammys mums if they can play again tomorrow.
