WALT: use labels to add information to a diagram.

Look through the Power Point, *London, Past and Present* again and stop on slide 18. This shows London as it was at the time of the Great Fire. I've started drawing the map for you. Can you complete it and add The Tower Of London, St Paul's Cathedral and London Bridge. Don't forget to add the labels. Remember your drawings do not need to be too detailed!

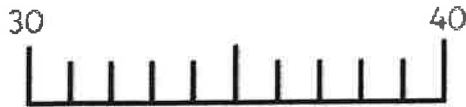

7/1/21 WALT: round 2-digit numbers to the nearest 10.

# Rounding to the Nearest 10

Can you round these two-digit numbers to the nearest 10? Use the number lines to help you.
