

Daily Plan  
Monday 25<sup>th</sup> January

Early Work	Maths 5 a day.	Practise your new weekly spellings list. (Nouns ending in the suffix -tion.) Write them in a pyramid shape as we have been doing in class recently.
English	This week we are going to start thinking about how to plan our own adventure story based around 'The Lion, the witch and the Wardrobe.' Today's task is to plan what main characters you would like in your story. You may have up to 4.	Think about your character's names, appearance, characteristics and any other details that you think are relevant. Write a paragraph about each of your characters, in full sentences with a sub-heading (underlined) at the top using amazing adjectives and of course perfect punctuation! Look at the PowerPoint slides for ideas on what to include.
Maths	Go onto the Topmarks maths website. <a href="https://www.topmarks.co.uk/maths-games/rocket-rounding">https://www.topmarks.co.uk/maths-games/rocket-rounding</a> Play 'Rocket Rounding'. Numbers up to 99 to nearest 10. You have 5 mins. Go!	First revise the teaching by looking over the PowerPoint slides for the day. This is on <a href="#">relating fractions to decimals (0.1 = <math>\frac{1}{10}</math>, 0.2 = <math>\frac{1}{5}</math>)</a> . Review and complete the practice sheet.
Vipers	Read Chapter 11 of our class text 'The Lion, the Witch and the Wardrobe.' Then complete the accompanying Word Study and Comprehension Questions.	Look at the image provided, discuss what you think it is about with someone at home. Answer the questions provided on the sheet.
Science	Today we are looking at the function of the intestines. The small and large intestines have different functions which are described in the following two videos. <a href="https://www.bbc.co.uk/bitesize/topics/zv9qhy/articles/zdkfvk7">https://www.bbc.co.uk/bitesize/topics/zv9qhy/articles/zdkfvk7</a> <a href="https://kidshealth.org/en/kids/dsmovie.html">https://kidshealth.org/en/kids/dsmovie.html</a>	Once you have watched the videos complete the questions either online at <a href="https://www.bbc.co.uk/bitesize/topics/zv9qhy/articles/zdkfvk7">https://www.bbc.co.uk/bitesize/topics/zv9qhy/articles/zdkfvk7</a> or on the sheet provided. Then have a go at the quiz. If you can, talk through all of the organs that make up the digestive system and discuss the function of each of them.
Spellings and Reading	creation vibration radiation translation indication ventilation relegation dedication demonstration abbreviation	Read for 15 mins with an adult or older sibling and record it in your daily reading record. This could be a book from school or home or a comic. Don't forget to record it in your reading record and get a grown up to sign it.
