

Daily Plan
Thursday 28th January

Early Work	Maths 5 a day	Practise your new weekly spellings list. (Nouns ending in the suffix -tion.) See how many times you can write each spelling in 30 seconds. You will need a timer or a second hand on an analogue clock for this.
English	Today you are going to be writing the opening to your story. First, re-read the beginning of Chapter 1. How does the author introduce the characters? What did we find out about them? Why are they there? When did it happen?	When you are writing your own opening think how you can answer the When? Where? What? Why? and How? Prompts. Look at the checklist to see what features you could also weave into your opening. Remember to write in full sentences, with neat handwriting and perfect punctuation!
Maths	Go onto the Topmarks maths website. https://www.topmarks.co.uk/maths-games/rocket-rounding Play 'Rocket Rounding'. Numbers up to 99 to nearest 10. You have 5 mins. Go!	Today I would like you to have a really good go at the <u>Mastery Questions</u> . Have you been able to do these? You might also like to play the dice game by following this link. https://nrich.maths.org/10438 or if you need it do this Extra Support activity: <i>Decimals are a Snip</i> which will really help if you have been finding the practice sheets tricky...
Vipers	Read Chapter 13 of our class text 'The Lion, the Witch and the Wardrobe.' Then complete the accompanying Word Study and Comprehension Questions.	Using the weekly viper of 'Summarise', try to tell someone in your family all about the story so far. Remember to tell them all of the important information.
PE	Get outside in the garden if you have one or a public space and do the Daily Mile or go on YouTube and download a workout by Joe Wicks.	
Spellings/Reading	creation radiation indication ventilation relegation dedication demonstration abbreviation translation vibration	Read for 15 mins with an adult or older sibling and record it in your daily reading record. This could be a book from school or home or a comic. Don't forget to record it in your reading record and get a grown up to sign it.

28th January

$70 - 13$

$3 \times 12 = 6 \times$

Which coins could Daniel choose?

Daniel and Ben share these coins so that they each have the **same** amount of money.

Daniel chooses his coins first.
Ben takes the rest of the coins.

Which coins would be left for Ben?

Fill in the missing numbers

$$\begin{array}{r}
 54 \\
 + 3 \square \\

THE LION, THE WITCH, AND THE WARDROBE

Part 2: Answer the following questions in FULL SENTENCES.

7. Why do Lucy and Susan have trouble sleeping? (2 marks)

8. Why do you think Aslan agreed to have Susan and Lucy accompany him to the Stone Table? (3 marks)

9. What does Aslan do when the Witch's mob attacks him? (2 marks)

Decimals are a snip

Work in pairs, but stick your fraction strips into your own book/on paper

Things you will need:

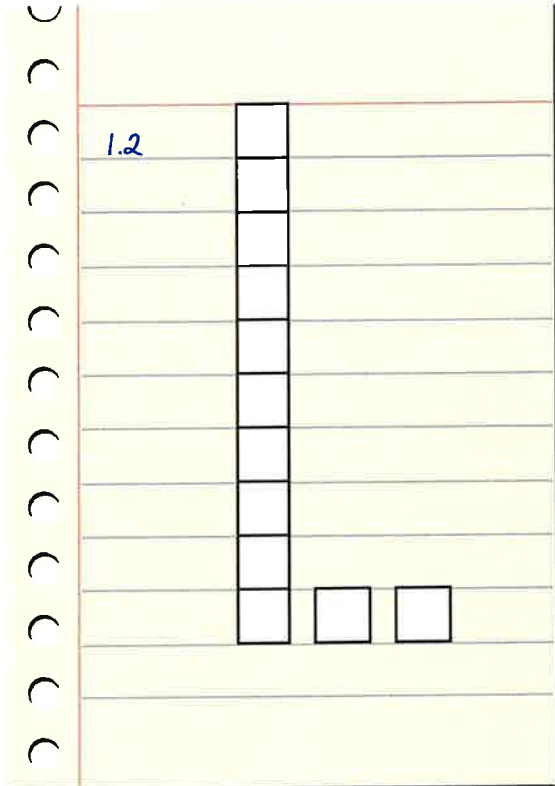

- Tenth strips
- Scissors
- Glue sticks

What to do:

- Choose at least three numbers less than 1 and at least three numbers more than 1 to show using your tenths strips.
- Look at each number written in the table below.
- Write the number and stick the strips by the side.

1s		0.1s
0	•	2
0	•	7
1	•	2
2	•	1
2	•	4
1	•	8
0	•	6
1	•	5
2	•	3

S-t-r-e-t-c-h:

Write all your numbers in order from smallest to largest.

Learning outcomes:

- I can understand the value of each digit in numbers with one decimal place.
- I am beginning to order numbers with one decimal place.

Decimals are a snip
