There is also a 'which is which' sheet to complete. Just read the word, then tick or circle the correct picture.

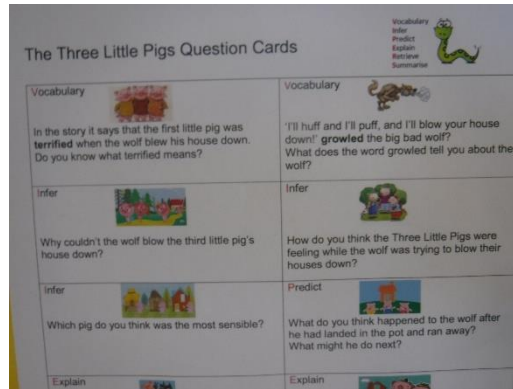

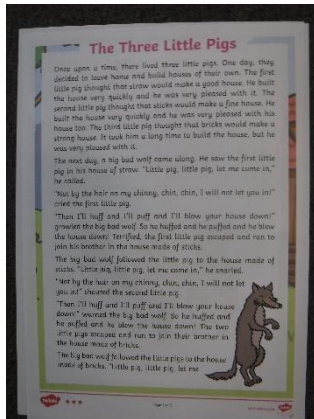

Reading

There is another 3 Little Pigs story to read today and then a set of question cards to try.

There are a range of questions to make the children think carefully about things that happen in the story. They are linked to our VIPERS which improves the children's understanding of what they are reading.

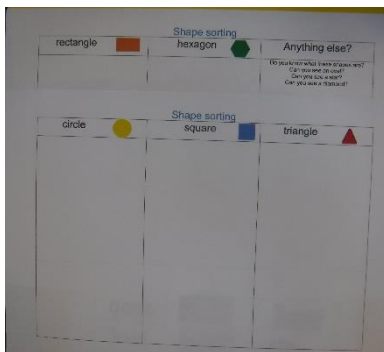

If you wish, you could cut out the cards, turn them over and take turns to pick one. Just to make it fun! At school we try to encourage the children to answer in sentences rather than just a single word.

Maths - Shape

I have included a shape PowerPoint to remind the children of the 2D shapes that we know (hopefully).

There is a shape sorting activity. Just cut the shapes and stick or place them into the correct column.

I apologise for sending so many activities that involve cutting!!
