

Friday 26th February

Letters and Sounds

Today we are going to write some **ar** words. The theme here is **'ar on the farm'**.

You could make this a game by hiding the words. You need to choose/find an **ar** word, read it and then write it next to the correct picture on the tractor.

| | |
|------|-------|
| park | car |
| farm | dark |
| jar | bark |
| card | shark |

Reading/communication and Language/Expressive Art and Design

I would like the children to tell you about their favourite part of the Three Little Pigs story.

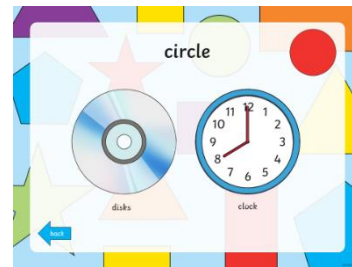

Then they need to either draw, build, paint, etc. that favourite part.

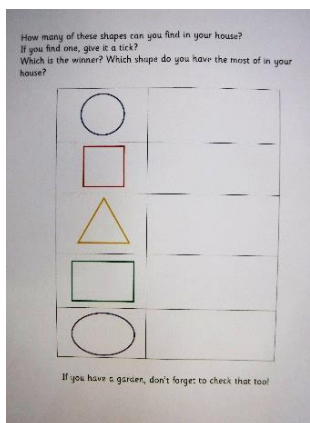

Maths – Shape

To finish this shape week, I would like the children to go on a shape hunt around the house.

I have included a PowerPoint showing everyday shapes.

The children then need to look around the house for shapes and then tick them off on the sheet.

There are also some shape colouring sheets if you would like an extra activity to finish our shape week.
