

What Can I See?

Think about a journey you often make – for example, from home to school or from your friend's house to the swimming pool.

Can you draw a sketch map showing someone else how to get from one place to the other? Try to include the names of roads and streets if you can remember them.

A large, rounded rectangular box for writing or drawing. On the right side, there is a small illustration of a pair of glasses.

A large, empty rectangular box for drawing a sketch map.
