

Once upon a time, there was a planet called Skabe.

One day in June, Bure and Slebe, from Skabe, landed on Earth. Amelie, Lillian, Libby and Ronnie had sent the aliens an invite so they came to see them and took the aliens to their classroom. These children made Bure and Slebe welcome by giving them a note to say hello. In the classroom Bure and Slebe learned about our rules that we: try our best, think of others, tell the truth and show respect. Ashton, Henry, Hattie and Violet demonstrated how to wash their hands. Mrs Jimenez taught the aliens how to bake a cake. They were amazed by Jacob's, Theo's and Jamie's dinosaur they had made out of stones. Mrs Borges listened to Slebe read and gave him a sticker as a prize for his hard work.

Unfortunately the playtime bell scared the aliens! Luckily, Archie, Carmen, Frankie, Marvin and Lucas came to the rescue. They showed Bure and Slebe where to line up. Outside, the children of Year 1 were playing the game Extreme It with the aliens. It was nice.

When playtime was over, the aliens came inside with Year 1. It was time for P.E. Olive, Tyler, Harry and Sienna pretended to be athletes in a race. Bure was the first to complete the Maze Escape. Aria, Joshua, Logan and Lexi found time to take Bure down the slide by the pine tree.

Finally, the aliens went home on a spaceship back to Skabe. "Please come again!" said Year 1. Aliya, Neave, Kimi, Keanna and Isabella waved goodbye the most.
