

Oops! - alternative sounds for the letter i

Opps! - alternative sounds for the letter i

We already know this sound..

sit

i

fit

hit

Opps! - alternative sounds for the letter i

But sometimes this sound makes an alternative sound which is its name **i** (so it makes the same sound as **igh**, **ie**, **i_e**, and **y**).

The only way we can find out which pronunciation we can use is by testing it out.

Here are some examples of words...

Opps! - alternative sounds for the letter i
