

OLD HEATH COMMUNITY PRIMARY SCHOOL

MONDAY MESSENGER !!

Monday 13th September 2021

Good morning! I hope you have all had a great weekend! We had a good first full week back; our first trip, first full Golden Assembly with Golden Awards & Old Heath Heart!

Very sorry to start the day with a few reminders.....

LOST ITEMS & LABELLING!!

We have had a few lost items of clothing already so please can all belongings be labelled so we can return them when 'abandoned' around school!

WATER BOTTLES

All children should have a water bottle in school to enable them to keep hydrated throughout the day.

PE KITS

We still have a few children with no PE kit in school. Please can you ensure your child/ren has their kit in school.

EARRINGS, JEWELLERY & NAIL POLISH

Children are not allowed to wear earrings for PE. So either please ensure your child can remove and replace their earrings independently or check when PE is and remove them for that day. If your child has had their ears pierced over the holidays and they cannot be removed your child will not be able to take part in PE activities.

Earrings should be either small studs or sleeper rings. Studs are better as they fit close to the ear and there is less chance of anything getting caught through the hoops.

Please can holiday, weekend, birthday nail polish be removed for school days. False nails are not suitable for school activities.

Children can wear watches but no other jewellery i.e. necklaces, bracelets etc.

SCHOOL COMMS APP

A big thank you for working through with us on the teething problems with the 'dinner' app! I am sure it will get easier as we find and solve the glitch points for our school!

MORNING PLAYGROUND

Please can parents ensure that their children stay with them on the playground before classroom doors open. Children should not be allowed to jump, climb, hang from the boat seating area or climb up the bank surrounding the playground. Individual parents are responsible for their own children.

YEAR 6 SWIMMING STARTS ON FRIDAY 17th SEPTEMBER WITH A SLIGHT INTERRUPTION DUE TO TLA TASTER DAY ON THE 24TH!!

PARKING & ROAD USE OUTSIDE OF SCHOOL

Please can all parents driving to school park with respect for others and remember that everyone has a responsibility to ensure we are all safe on our way to and from school. 'Pulling a U-turn' in busy traffic, parking over driveways and pulling up too close to the crossing patrol doesn't help to keep the pathways outside of school safe for everyone.
